To

The Secretary to the Government
of His Highness the Maharaja of Mysore,
Revenue Department.

Sir,

I have the honor to forward herewith copies of the marginally noted letters received from the Deputy Commissioner, Tumkur District

A H.C.757/24-25 dated 25th April 1925.
B H.C.757/24-25 dated 28th July 1925.

recommending that permission may be given to the Mussalmans of Kannamedi village in the Pavagada Taluk for the construction of a mosque in the village, as they are keenly feeling the want of a proper place of worship.

2. At the instance of this office the mahommedan residents of the place have executed a mutchalika before the Amildar on 23-6-25 to the effect that they have no objection to the passing of religious and other processions by other communities with music in front of the mosque along the Madakasira main road.

As the village Panchayat is reported to have no objection, I recommend that permission to construct the mosque may kindly be accorded. While conveying the orders of Government, the Deputy Commissioner will be requested to have suitable tablets with inscriptions in Kanarese and Hindustani put up at the entrance of the building.

3. The file of vernacular papers is enclosed.

I have the honor to be,
Sir,
Your most obedient servant,

Muzrai Commissioner.

H.C.757/24-25 dated 28th July 1925 from the Deputy Commissioner, Tumkur District to the Muzrai Commissioner in Mysore. 5

"With reference to your letter No.1273 of 24-25 dated 16th May 1925 re: the construction of a mosque and school at Kannamedi village in the Pavagada Taluk, I have the honor to forward herewith as desired the mutchalika executed before the Amildar on 23rd June 1925, by the Mahomedan residents of the Kannamedi village to the effect that they have no objection to the passing of religious and other processions by non-Mahomedans with music in front of the mosque along the Madakasira main road.

The connected file of vernacular records ~~as~~ ending with the --- Pavagada Taluk Amildar's report No.545 of 25th June 1925 is enclosed for reference and early orders re: the grant of permission for the construction of the mosque, as the Mohamedan residents are pressing for the same and representing that they are put to great inconvenience for want of a place for religious worship."

Letter No.H.C.757/24-25 dated 25th April 1925 from the Deputy Commissioner, Tumkur District to the Muzrai Commissioner in Mysore. 6

"I have the honor to submit herewith the records ending with Pavagada Taluk Amildar's report No.JPR.69 of 24-25 dated the 27th March 1925, relating to the construction of a mosque and a School at Kannamedi village in the Pavagada Taluk.and to state as follows:-

1. The Mussalmans of the village are very keenly feeling for want of aproper place of worship and a Hindi School. They have therefore applied for the free grant of a site in the village, measuring 15 x 12 or 180 sq. yards for the construction of the above buildings.

2. The Amildar while submitting the Mahazar of the villagers and a sketch showing the site and its surrounding locality recommends that the site in question may be granted to the applicants free of cost as there is no objection of any kind for the construction of the same.

3. The market value of the site is estimated to be Rs.5-10-0 only. As the village Panchayet Chairman and others have expressed before me during the Huzur Jamabandi of the Pavagada Taluk in February 1925, that they have no objection to the grant of the site, and as the value of the site is very trivial, I agree with the village Panchayet that the site - asked for may be given to the applicants free of cost for the above ----- purpose.

4. In the above circumstances, I request that sanction of Government may kindly be obtained for the construction of the Mosque in the village since it will be a new place of worship."
